PLAYER CONDUCT RULES AGREEMENT

- Players and Parents are responsible for their behavior and actions on and off the field at camp. We all want to have fun, develop in soccer, and be as successful as possible, but we must do so in a positive manner.
- Players are expected to follow all the rules and guidelines; proper behavior is mandatory.
- Players are expected and required to behave lawfully at all times. Unlawful or inappropriate behavior may result in immediate suspension or termination of participation in the program.
- Hazing and bullying are prohibited. Players must never behave in a violent or aggressive manner toward others. This includes the use of foul or abusive language, and physical contact with other campers. Players are not permitted to make remarks about race, religion, gender or ability. Players are not permitted to send harassing emails or text messages to other campers or post similar inappropriate comments about other campers on the Internet.
- Appropriate behavior in dining hall, other campus buildings and on field areas is expected.
- Damage to personal property and damage to any of the facilities of Delaware Valley University and Eastern University will not be tolerated.
- It is strongly recommended that campers do **NOT** bring cell phones to camp. Campers will be able to communicate with parents, however, we do not want cell phones used inappropriately for texting, downloading of materials, or using the camera options.
- Laptops and tablets are prohibited unless needed for summer classes and pre-approved by Camp Director.
- The use of cameras or video recording devices is not permitted at any time. Players may not circulate or post photos or videos of other campers on the Internet or any other means (i.e. APPS).
